VIRGINIA COUNCIL OF MATHEMATICS SPECIALISTS

FALL 2016 CONFERENCE

September 29-30, 2016
Germanna Community College
Daniel Technology Center
18121 Technology Drive, Culpeper, VA 22701

Coaching for Balanced and Connected Mathematics

The 2016 conference provides mathematics coaches and teacher leaders opportunities to support teachers by adding to their leadership toolbox:

- effective instructional and assessment practices to help close achievement gaps and ensure mathematical proficiency for all.
- strategies to implement the revised Mathematics Standards of Learning.

VACMS PHILOSOPHY

"The VACMS is a professional organization supporting the work of school based mathematics specialists and mathematics teacher leaders."
